6: Kitchen before reconstruction, January 1959.

7: Kitchen After reconstruction, July 1959

The door on the right opens into the King Room.

8: Rectors office, August 1958.

The windows suggest that this is the south-east corner of the Gower Room.

9: Office area entrance, December 1959.

The area on the right is a foyer of the upper hall. It is now enclosed to form an office. On the far side of the foyer are the stairs to the upper halls stage. The stage is now enclosed to form two offices.

10: Notice board, September 1959

11: Church, September 1959

12: Door from the lower hall to the area under the main floor of the church, January 1959.

The stairs were removed during reconstruction of the hall.

13: Upper floor of the old (1911) hall showing gallery, August 1958.

The gallery became the third (apartment) floor of the reconstructed hall.

14: Church basement, August 1958

15: Church basement, January 1959

16: **Parish** hall roof looking east, September 1959
